Welcome to the Star of the North - Camp Ripley. A first class northern tier National Guard Training site dedicated to excellence. The installation's commitment to excellence is founded in the professional staff of military and civilian employees who stand ready to introduce you to the most modern training facilities in the joint training environment.

Camp Ripley is located between Brainerd and Little Falls and has the largest area of undisturbed Mississippi River Shoreline in the United States at 18 miles.

It encompasses 52,831 acres.
